Honorable William C. Foster

Dear Mr. Foster:

Mr. McCone has asked me to reply to your letter of November 8, concerning access to information bearing on inspection and verification techniques in the light of the recent Cuban experience. Although much of this information remains closely held, we will be glad to provide access to the small group which you have appointed to work on this matter.

I have asked Mr. [redacted] extension [redacted] of my staff to act as the point of contact within this Agency. His name has already been passed to a member of Admiral Parker's staff.

Sincerely,
